

Classroom Newsletter

We believe the best way of Early Childhood Education should be PV International School.

We will focus on cooperation, sharing and helping others. We will encourage the children to share their thoughts and ideas through language enriched activities.

P Class

This month P class has been focusing on being thankful. We read the story of the first Thanksgiving which started the American holiday. We talked about what we are thankful for as well as people in the community we are thankful for. We have learned many new words such as: thanks, we, I, am. We also started practicing for the Christmas program. They have learned songs, a skit, and instruments. The children are very excited to share all they have prepared for Christmas.

V Class

In November V class children learned names of different sports. Kids learned that different balls are used for different ball games. When we played outside, we observed how nature is changing in autumn and discussed it in the class. We also talked about following the class rules and taking care of school things.

I Class

This month P, V & I have been prepping for the Christmas concert in their music lessons! They have had lots of fun, done a brilliant job at learning the songs so far & are looking forwards to perform for you! Well done to all classes!
