PV International School, October 2020

We believe the best way of Early Childhood Education  
should be  
PV International School.

**P Class** P class continues to learn new words. We have worked on learning how to spell the words we have learned this year. In September, we have focused on spelling, learning 2D shapes, and learning all about colors.  
-Rebekah-

**V Class** In the month of September, V class learned about insects, their body parts and life cycles. For the phonics we concentrate on beginning letter sounds. Kids love to spell and write their names.  
-Rita-

**I Class** Hi there! This month, I class has been learning about animals by expanding their vocabulary & taking part in various crafts! And also they tried to learn about shapes too! They had lots of fun in water play & music lessons! -Jazzy-

正しく着用して下さい

## Important Dates to Remember in October

6th Music Lesson	ミュージック
7th Physical Measurement	身体測定
8th Gardening	グリーンデー
13th Rhythmic	リトミック
14th Evacuation Drill	避難訓練
20th Rhythmic	リトミック
27th Music Lesson	ミュージック
30th Birthday Party	誕生日会

We will focus on cooperation, sharing and helping others.

We will encourage the children to share their thoughts and ideas through language enriched activities.

### Parent Mailbox:

◎お子様の持ち物すべてに名前のご記入をお願い致します。また、普段お持ちいただいている物も、名前が消えていないか定期的にご確認いただきますよう、お願い致します。

◎おうちのおもちゃ等はスクールに持ち込まないでください。乳幼児の誤飲または事故につながる恐れがありますので、安全面・衛生面からも持込は**ルールとして禁止**しています、子ども達同士のトラブルを避けるためにも、厳守願います。

# Classroom Newsletter

PV International School, August 2020

We believe the best way of Early Childhood Education should be  
PV International School.

**P Class** -P class has been learning about the ocean and ocean animals. We have been working on reading three letter words, recognizing long or short vowels, sounding out words, and reading short sentences. We have learned the sight words, "is", "go", and "see". We have been reviewing numbers and learning about kindness and how we can be kind to one another. -Rebekah-

**V Class.** July was full of rain and clouds! We had to try many activities indoors. V class students have lots of energy and we played active games, ran, crawled, jumped and stretched! In lessons we learned about very different ocean creatures and their tentacles, fins, shells and scales. Phonics study and scissors practice are ongoing. Kids also enjoyed a couple of fun water science experiments we held this month. -Rita-

**I Class** . -Hello there! I class have finished their Alphabet books this month, where they learnt about upper & lower case letters! Well done I class! Next we are starting to make numbers books! Besides that, we have been having lots of fun dancing & singing in music lessons! Jazzy-
